Flock’s HRIS suite, which includes tools for onboarding, document management, employee engagement, time-off tracking and off-boarding, is now available to all UnitedHealthcare and BHCG clients. Flock’s benefits administration suite, which includes benefits management and employee and manager self service, is also available to all UnitedHealthcare clients who are BHCG member employers.

Affordable Care Act (ACA) compliance tools, including solutions for 1095 C tax forms, are included with the benefits administration suite.
