

Creating Value for BHCG Member Employers

BHCG member employers have access to an ever-growing portfolio of employer solutions at preferred rates. Best Doctors programs and services offer a real solution for the problem of medical uncertainty for the most complex, critical and costly cases.

Who is Best Doctors?

A trusted and experienced source making a significant impact

Best Doctors has been BHCG’s informed decision-making vendor since 2012. In business 30+ years with more than 100,000 completed cases, Best Doctors connects your employees and dependents facing medical uncertainty with more than 50,000 world-renowned medical experts across 450 specialties and sub-specialties.

- A global health leader
- Provides medical expertise to millions through second opinions and medical advice from experts selected as the best in their specialties
- Fully integrated with BHCG-designated UnitedHealthcare clinical team in Lisle, IL and BHCG-dedicated Advocate4Me team in Green Bay to maximize utilization

BHCG 2019 case statistics:

- 48%** Diagnosis clarification or changes made in 48% of cases
- 77%** Treatment clarification or changes made in 77% of cases

“Best Doctors provides peace of mind for our associates when navigating a complex health care marketplace.”

LISA MROZINSKI,
Director of Total Rewards, Baird
