Explore all your options!

Open enrollment is your chance to choose the benefits that suit your life and budget.

Every Partner should complete Open Enrollment in Workday to ensure that the correct benefits are selected, and your dependents are covered.

This year, you do not have to re-enroll in the medical and prescription drug plan to have coverage in 2025.

You do have to re-enroll in the Health Savings Account and Dependent Care Flexible Spending Account. If you don't, you won't be enrolled in either benefit in 2025.
