BHCG Mission Statement

The Business Health Care Group unites Wisconsin employers to leverage their collective voice and purchasing power driving high-quality, cost-effective, and transparent health care for the communities they serve.

BHCG Employer/Provider Collaboration

An Important Partnership

- Direct dialogue between the business community, health systems and provider groups
- Embracing better alignment and accountability
- Data-driven approach to reward value, not volume

Working For Employers

“ BHCg membership puts employers at the forefront of strategies that make a real difference – such as utilizing advanced data analytics to collaborate with health systems to increase health care value.”

Better Outcomes for Employers & Employees

“ Moving costs to the employee is not really an option, given the current recruitment and retention environment. When we work together to find solutions to improve health care costs and better outcomes for our employees, we all benefit.”

– Aldo Bonfiglio,
Vice President, Boucher Automotive Group

The Power of Alliance

“ Health care is critical to all aspects of an employer’s business and strategic direction. The value of employers collaborating to effect positive change in this vital area cannot be overstated.”

– Dan Cahalane

President & CEO, American Roller Company
